

Parents and Students,

We have 87 students who are involved in the SCBDA Region IV Band Clinic Friday, February 24 and Saturday, February 25. Below, you will find important information concerning the weekend. The clinic is considerably different than in years past due to a scheduling conflict at Charleston Southern and we need to be prepared. The experience of all will largely depend on Wando.

The roster for each of the bands may be found at (alternates attending may not be listed):
<https://www.bandlink.org/all-state-band/rosters/2017-all-state-region-rosters/2017-region-4-senior-band-roster/>
<https://www.bandlink.org/all-state-band/rosters/2017-all-state-region-rosters/2017-region-4-clinic-band-roster/>

A list of students attending the Region Clinic will be sent to attendance in order to excuse students for the school day on Friday.
