The Wando Percussion Department Audition will consist of the top 3 etudes, playing all 3. In addition to the etudes, there will be mallet and snare drum sight-reading, and all Junior-level All-State Rudiments and Scales will be fair game for the audition. In order to be accepted into the Wando Percussion Department, relative proficiency in all areas must be shown. Band Director and private lesson instructor recommendations will also be considered.

Auditions will be in the Wando Bandroom Monday, April 30th, 4:00-6:00 PM
